## **PTFA**

Welcome to Manor Church of England PTFA's latest newsletter. We would like to share with you what we have been doing recently, along with our plans for the summer term.

### **How we raised funds last term**

- In January, we hosted a very successful quiz night and raised £100 for our funds.
- In February, we held another half term cake sale and raised £60.
- Refreshments were served at the Easter Service and £15 in donations was collected.
- The Easter Cake sale raised a further £97.
- Our second quiz of the term in March, raised a further £90.
- Our Mother's day gift wrapping event contributed £120 to our funds.

Thank you for continuing to show such wonderful support for these events, which enable us to fund some amazing experiences for our children.

### **Where the funds go**

In recent weeks, the PTFA have agreed funding for;

- Prizes for all children in the Easter hat parade.
- A selection of new take-home reading books.
- New play equipment for the children to use during breaks.
- A visit from author, Neal Layton to our school in April.

- Wrapped sweets for goody bags.
- Any pirate themed items, small or big.
- Small party bag toys and balloons.
- Plants for our plant sale.
