<p>If you would like to explain any of your answers, or if there is anything else that you would like to tell us, please do so here.</p> <p>Concerns are sometimes dismissed Child has struggled with older children but issues have been dealt with promptly</p> <p>SUMMARY OF COMMENTS</p>						
<p>An additional open ended evaluation is included below for you to make more specific or general comments about what you think is working well and list ideas for further improving our school.</p>						

<p>What is good about our school?</p>		
<p>Child loves school Small school Personal and friendly Children greeted at the gate by MH and teachers welcome the children in the mornings. Parents able to talk to the teacher in the mornings Learning is made enjoyable and child is made to feel important Likes that we are a CofE school so child learns about God/sings hymns as unable to do this at home Children are known by name by all staff which makes the child/parents feel wanted. Good communication so problems can be resolved. Feels like one big family</p>	<p>Staff friendly and helpful/ lovely approachable Travelling Ted School trips Lots of events /themes Parents kept mainly up to date/ 1 or 2 slip ups when parents are due in for art events but minor Love the after school clubs Head teacher responds well to concerns Sticker reward charts Assembly certificates Daughter loves the school. School dinners Good progress made. Support from teachers after half term break. Strong community within the school and local area</p>	
<p>What could we do to improve our school to make it even better?</p>		
<p>Become a primary x 6 Ensure that letters are put in all bookbags Parking Knowledge before parents evening of any areas parents can help their children with at home to improve writing Give more notice for school play costumes Have some animals/pets in classes Tell us how much our children had for lunch Give more notice for events to help involve the parents more Not signed on to Tapestry Offer online payments Whilst the rationale behind the attendance bear is understood there are concerns that the message is that the children worry if they are unwell/Physical wellbeing is as important as turning up. Concern that when children had been unkind to another child blame was not proportionate. Parents of other children were not approached and information was gained through classmates rather than staff.</p>		
<p>Any other comments</p>		
<p>The maths games to bring home are brilliant but would be even better if they were ability based Concern with school dinners as child doesn't seem to eat much main course but still has pudding/doesn't eat sandwiches but eats biscuits and cheddars Thanks for time,effort and support at Manor</p>
